**COMMON QUESTIONS****Straight answers.****Is \$1,199 a fair price for this domain?**

Comparable brandable .coms with finance and SaaS keywords regularly sell between \$1,500–\$4,000. This is priced to move, not to sit. Offers are welcome.

**How does the transfer work?**

All transactions go through Sedo's secure escrow system. You don't release payment until the domain is fully transferred to your account. Fast, safe, and straightforward.

**Are there any trademark conflicts?**

No known trademark conflicts. The domain is a clean, original combination available for any commercial use.

## Ready to claim it?

Asking **\$1,199** - offers welcome. Short .coms with real keyword value don't stay available for long.
